# Scrip Testimonials

- “I’ve used the Amazon electronic gift card option often to purchase items on Amazon. I also purchased many gift cards when you did the physical gift card orders & used them for teacher gifts as well as Christmas gifts. I’ll definitely keep ordering more this year.” ~Karen

# Scrip Testimonials

- “We have been using the Scrip program for a little over a year now. In the years we have been doing Fundraising, I have never used an easier program than this. From some of the “Big Ticket” items we have needed to some of the everyday items like groceries, it is pretty simple to buy a gift card and use it to make the purchases we need to get a percentage back towards the fundraising effort.” ~Andie

# Scrip Testimonials

- Since January of this year, my family has earned \$350 for our child's band account! In the past we usually paid for band activities totally by ourselves. But with Scrip we earn money buying e-gift cards to places we shop anyway. The Scrip purchases we make most are at American Eagle (10%), Nike (12%), Panera (8%), Lowe's (4%), and Home Goods (7%). I recommend starting with just one store to get the hang of it. From there, you'll discover how Scrip can help you earn money for your child's band account. ~Anonymous
