 - and **62 inches** (L+W+H)
- One carry on
 - Carry-on may not exceed **50** linear inches (**24 x 16 x 10** in)

TSA Screening

TSA's Travel Tips

Before you go...

- Visit www.tsa.gov for all the latest security policies.
- Pack liquids/gels/aerosols in your checked baggage. For a short trip you are permitted to carry-on 1 quart-size, clear plastic, zip-top bag holding 3 ounces or less containers of liquids, gels or aerosols. Limited to one bag per traveler.
- Exceptions include: baby formula/breast milk/baby food while traveling with a small child, medications, liquids (to include water, juice or liquid nutrients) or gels for diabetics or other medical needs. All exceptions must be declared to the Security Officer for screening.
- All footwear must be removed for X-ray screening. Wearing footwear that can be easily removed helps.
- Pack valuables such as jewelry, cash and electronics, as well as fragile items, in your carry-on. This will speed the screening process.
- Avoid wearing accessories that contain metal, which will set off the metal detector.
- Put all undeveloped film in your carry-on bag, because checked baggage screening equipment may damage film.

- If carrying a firearm, please check with your airline for appropriate procedures.
- Leave lighters at home. TSA collects thousands of lighters a day.

When you arrive...

- Take your quart-size plastic zip-top bag out of your carry-on and place separately in bin.
- Declare all permitted liquid exceptions to the Security Officer in front of the checkpoint.
- Take your laptop and video cameras with cassettes out of their cases for screening.
- Remove your outer coat, suit coat, jacket or blazer to place in bin for X-ray.
- Place the following items in your carry-on before entering the screening checkpoint: cell phones and personal data assistants, keys, loose change, jewelry and large metal items.

For questions visit www.tsa.gov or TSA Contact Center toll-free at (866) 289-9673

TSA's Key Travel Tip:
3-1-1 to speed screening!

3
ounces

TSA Screening

3

3 ounces or less size containers of liquids, gels or aerosols.

Container size is a security measure.

1

1 quart-size, clear plastic, zip-top bag holding 3 ounces or less containers.

Bag limits total volume per person.

1

1 bag per traveler placed in the security bin.

Isolating liquids speeds screening.

Return Flight

1/30/23

Check-in Procedure

- Like departure flight
- Check in as a group
- Receive boarding pass
- Go through security (much bigger)
- Wait at gate (much bigger)

Return Flight

1/30/23
